The guarantee registration form must be completed online and submitted within 14 days of purchase to enable the guarantee to be activated. This guarantee is not transferable and is extended only to, and is solely for the benefit of the original purchaser of the stove. Please retain your dated receipt as proof of purchase.

This guarantee is for parts only. The cost of labour is covered by the guarantee for the first year only - this excludes any consumable parts (which typically are easy to replace).

This covers the replacement parts only and not any associated labour fitting costs.
